PURPOSE: For the University's Department of Public Safety to install appropriate lighting on campus.

STATUS:

WHEREAS: Many areas of the WKU campus are without proper lighting, and

WHEREAS: These areas constitute a definite risk to public safety, and

WHEREAS: These specific problem areas are:

- 1 the walkway that goes from PFT to Egypt parking lot
- 2 the Egypt lot
- 3 the side of TPH facing Normal Dr
- 4 along both sidewalks that begin at Downing Univ center and come to a "Y" in front of TPH
- 5 the area behind Potter Hall
6. the walkway leading to Center St from McClean Hall
- 7 the east side of Gilbert
8. the area between Gordon Wilson Hall and VanMeter
9. the pathway leading to the Hilltop Shops behind Rodes Harling and McCormack Halls.

THEREFORE: Be it resolved that the concerned members of the Associated Student government recommend to the Public Safety Dept that appropriate lighting be installed in order to insure a reasonable amount of protection to Western students and faculty
